INFORMATION DISCLOSURE

STATEMENT UNDER 37 CFR §1.97 and

§1.98

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. Copies of the references are enclosed. It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

It is respectfully requested that examiner please note that the Internet Draft, and Request for Comment (RFC) documents cited are working documents of the Internet Engineering Task Force (IETF), its areas, and its working groups. The Internet Drafts and

W. Alexander H. Application No.: Page 2

RFCs are draft documents and are "works in progress," valid for a maximum of six months, and may be updated, replaced, or made obsolete by other documents at any time. Updated and current Internet-Drafts can be accessed via the Internet at: http://www.ietf.org/ietf/lid-abstracts.txt.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that <u>no fee is required</u> for submission of this statement, since it is being submitted prior to the first Office Action. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
